INSTRUCTIONS:

1. Decide on your color combination.

2. Cut the yarn into 20” lengths.

3. Thread 2 pieces of yarn into the needle.

4. Weave the yarn in an over/under pattern into the mesh. Leave a tail of yarn on both ends of the placemat, which will become fringe.

5. When the mat is filled with yarn, you are finished. Trim the ends to make a nice, even fringe on both ends.

NOTES: If the edge of the mesh shows on the 2 sides, it may be trimmed slightly or turned under and sewn to stay in place.

The placemats should be laundered by hand or in the gentle cycle.

Any type of yarn may be used with this fabric mesh, as long as it can be threaded through the needle.

Try combinations of 2 colors threaded together for a different look to your placemat.

If the placemat weaving is difficult to start, try weaving the first few rows by laying the mat flat on the table to do the weaving.
