PREP INSTRUCTIONS:

1. Each project will need 3 wooden circles, 1 wooden football shape, 1 wooden stick, 4 clothespins and a piece of magnet.

2. Make enough copies of the pattern on the right for the whole group.

INSTRUCTIONS:

1. Paint the wooden parts as desired. Use the patterns on the right or make up your own designs. Let dry.

Helpful Hint: To easily transfer the patterns to your wood, first base coat the wood in the desired color. Next, rub a pencil all over the back of the pattern. Place the pattern right side up on top of the wood. Using a pencil go over the lines in the pattern. Remove the pattern and paint the details.

2. Glue the magnet strip to the back of the wooden stick.

3. Glue the 4 clothespins, evenly spaced on the wooden stick.

4. Glue 1 wood shape on each clothespin. Let dry. Please make sure the clothespins are facing the right way, so when you clip on your notes, you aren't covering up your sport balls on the side.
