INSTRUCTIONS:

NOTE: Adult assistance may be needed for assembly. Not intended for a drink holder or to hold any liquids.

1. Lay the velvet peace sign panel flat to color it.

2. Punch out the three slots near the end of the panel.

3. Assemble by bending the panel into a circle, inserting the tabs to the inside of the circle (see Figure A). Tabs must be completely inserted. A small piece of tape can be attached to the lower inside tab, to anchor before inserting into the plastic base.

4. Begin to insert the cardboard into the plastic base at the bottom near the joint. Use your hand inside the cylinder to guide the edge of the panel into the plastic base groove.

5. Do the same to insert the top plastic ring onto the panel.
