INSTRUCTIONS:

TIP: This is a photo frame on one side and a shadow box on one side. Before you begin painting think about who you want to make this for and what items you want to put in the shadow box.

1. Plan a design and paint your photo grame. Let dry.

2. Plan a design and paint your shadow box. You can paint the frame and the inside of the shadow box. Let dry.

3. Add special items to the shadow box. Glue down items. Let dry. Add your photo to the frame.

4. Rinse off your paintbrush in the container of water and dry thoroughly on a paper towel.

5. Repeat steps 3-4 until your photo frame is painted the design you chose.

6. Allow time for the paint on the photo frame to dry before handling.

TIP: Add small amounts of water to your paint, a few drops at a time with your brush. This will help your paint flow much easier.
