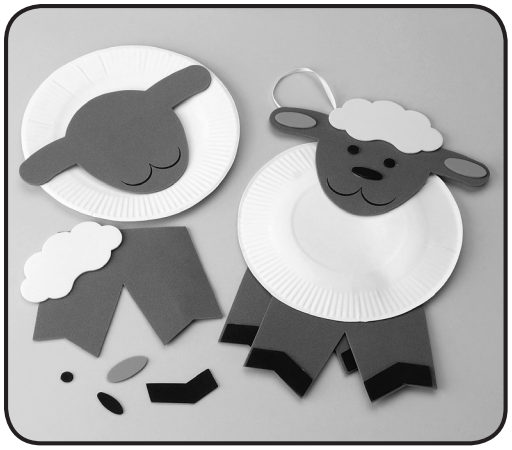
Lamb Door Hanger (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING



YOUR KIT CONTAINS:
- 6" White Paper Plate
- Grey Foam Lamb Head
- Grey Foam Leg Shapes
- White Foam Fur
- Black Foam Eyes
- Black Foam Hooves
- Black Foam Nose
- Pink Foam Ears
- White 12" Satin Ribbon

YOU WILL NEED:
- Clean Work Surface
- Foam Glue

AGE GROUP: 6 and up
PROJECT TIME: 20 minutes

INSTRUCTIONS:

1. Lay all materials out on clean work surface.
2. Lay the foam pieces out to plan your design. Assemble the lamb first before gluing to envision your completed door hanger.
3. Shape the satin ribbon in a loop and attach the loop ends to the plate, approx. ¼ from the top with a small amount of glue.
4. Using small dabs of glue, attach the Grey Foam Lamb Head to the plate, on top of the satin ribbon, approx. 1/3 from the top edge. (The satin ribbon will be the door hanger.)
5. Add the foam eyes, nose and pink ears to the head using the glue. Add the white foam fur to the top of the head.
6. Stack the grey leg shapes to resemble the lamb's four legs. Glue together. Allow to dry slightly.
7. Attach the legs to the back of the plate, approx. 1/3 from the bottom, allowing the legs to stick out of the bottom.
8. Continue by attaching the four black hooves to the bottom of the legs.
9. Allow glue to dry completely.
