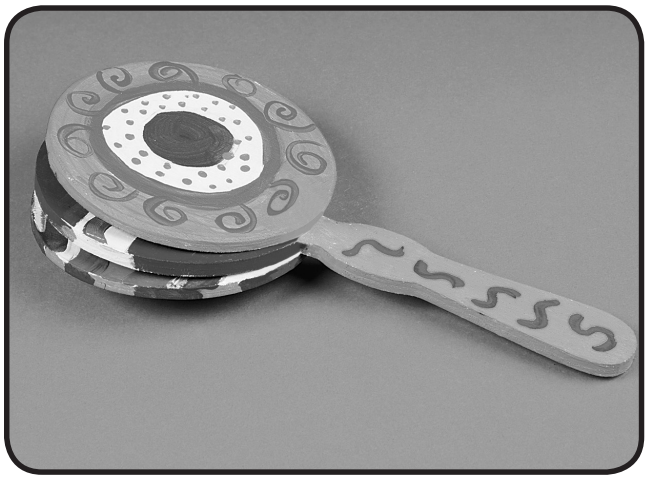
Wooden Clacker (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING



YOUR KIT CONTAINS:
- Wooden Clackers With Handles
- Wood Circles
- Elastic Bands
- Paint
- Paint Brushes

YOU WILL NEED:
- Scissors

AGE GROUP: 8 and up
PROJECT TIME: 30 minutes

INSTRUCTIONS:

1. Plan a design for your clacker.
2. Choose a color to start painting, and paint all those areas first.
3. Rinse your paint brush using water, and dry on a paper towel. Give your clacker time to dry between colors.
4. Repeat steps 2 and 3 until your clacker is completely painted.
5. Place your clacker on a flat surface and allow it to dry completely before handling.
6. When clacker is dry, put one wooden circle on each side of the handled clacker.
7. Thread the elastic through all three pieces and tie it in a knot. If you leave a small amount of space between the wood and knot, it will be a louder noise when using the clackers.
8. Trim off excess elastic.

***MAKING IT EASY** to SAVE MORE on your next order!*

$10 OFF
Your Next Order of only $39.00 or more.

Please mention Offer Code: **M2467**
Minimum order $39 excludes shipping and taxes. Limit one per order.
May not be combined with other offers or bid or contract pricing.
