GP2160

INSTRUCTIONS:

1. Your packet includes 7 colors of plastic flower shaped beads.
2. To begin the bracelet, tie a knot around one of the beads, temporarily, as an anchor for one end of the bracelet.
3. Thread on the beads in any order - be creative with the colors!
4. When all beads are on the cord, untie the knot which you made at the beginning and use both cords together to re-make a knot to close the bracelet.
5. Try on your bracelet to get the correct length before tightening the knot.
6. Tighten the knot and snip off the excess cord.

Other Ideas:

You could use longer cord to make a necklace.

String on other colored beads to make a unique bracelet.
