GP457

INSTRUCTIONS:

1. a. Plan the design you would like.

   b. Use a pencil to draw the design on a visor.

   c. Color the design with markers.

2. a. Measure and cut elastic cord into 9” lengths or smaller, depending on the head size. Knot one end.

   b. Thread the other end of the elastic through one hole after adjusting the size if needed. Knots should be on the inside of the visor.
