Torch Kit (Pk/12)

PLEASE READ ALL INSTRUCTIONS BEFORE STARTING

YOUR KIT CONTAINS:
- Torch Flame
- Torch Handle
- Torch Disc

YOU WILL NEED:
- Tacky Glue
- Markers
- Tape

AGE GROUP: 7 and up
PROJECT TIME: 30 minutes

INSTRUCTIONS:

1. Completely color the flame piece of your torch. Use streaks of yellow, orange, red, brown and black to create a flame look to the piece. Both sides of the flame may be colored.
2. Color the torch handle and the disc in any design. Bend the handle piece around to insert the tabs into the slots, in order to form the handle shape. Bend down the tabs on top of the handle.
3. Fold the tabs at the bottom of the flame inward and make a crease in them so that they stay folded inward. Glue these tabs to the disc. Glue the disc to the top of the handle. Use tape to hold glued pieces together as needed. Allow time to dry.

NOTE: The Olympians used a torch to announce the beginning of the games. The Olympic™ flame is the symbol for Olympic™ Games and is kept burning throughout the games. In modern times, a flame is ignited in Greece, where the games originated and runners would carry the flame to the place of the event, sometimes taking several weeks to reach the site of the games.
