INSTRUCTIONS:

NOTE: Fabric markers are permanent markers, so you may want to wear a smock or apron to protect clothing.

1. Plan a design for your quilt square. It's a good idea to sketch out your design lightly in pencil before you start to color with the markers. The design possibilities are endless. You can decorate all the quilt squares in the same theme as a group or allow each person to decorate their square as they wish.

2. With the markers provided, color your design as planned.

3. After it has dried, connect the squares together using the cords and your quilt is ready to use.

TIP: The cord can be knotted in the back or tied in a bow and have it show in the front.
