GP1874

INSTRUCTIONS:

1. Plan out how you want to decorate your frog and select your paint colors.

2. Use water to thin out the paint, a few drops at a time. This will help give better paint coverage as the frog is very absorbent.

3. Start by painting a base coat, keeping the frog and base and head separate for now.

4. Continue painting with additional colors for detail.
   TIP: Mix colors to create desired tints and shades.

5. Allow to dry completely.

6. Slide the hook on the neck into the loop on the body, so that the head bobbles (see Figure A).
